Guaranteed Satisfactory Performance

ABOUT US

Laqshya Logistics Provides a comprehensive one window device module, having fully operational hub at major location; this division caters to the major material movements. From small parcle booking at our respective godowns or to the door collections & Door Deliveries, from dedicated trucks & tempo movements to the express deliveries, we have always stood ahead upto the mark towards our customers' expectations.

Laqshya has a widw variety of logistic services and can provide its customers a time and cost efficient logistic process. Our range of service in includes:- Parcel Load, Full Truck Loads, Refrigerated vehicles, Express Urgent Deliveries, Warehousing, Clearing & Forwarding, Milk Run, ODC Movements.

We always stand committed to our objectives, ideals, commitments and assuring our clients of our continuous support followed by the standards of quality services we have extended so far and that has made us pioneers in logistics.

Since ours is truly a business whose future depends upon the satisfaction of our customers, Laqshya defines its Services, not simply because there are many things we do, but than we do them in ways that work. With a compelling rate structure as well as a long history of highly satisfied customers. These are testament to this fact that LAQSHYA LOGISTICS is truly a different from the rest.

We work on the principle of"sheer transparency. "yet, among third-party logistics providers (3PLs), we stand out. Small enough to remain agile but large enough to provide holistic expertise services. we work one - to - one with you, executing targeted strategies and scaling equipments, technology, people and process to yield innovative, cost-effective and measureable results. A privately-held, owner-run company, Laqshya Logistics is not beholden to anonymous shareholders. Unlike other 3PLs, we engage personally and make decisions based solely on what matter to our customers. The bottom line : At laqshya Logistics, we answer only to you.
